History

Sackville High School Graduated 2008

Dalhousie University September 2008 — May 2009
First year Computer Science & Physics

Staples Business Depot *Technology Sales* July — September 2006
Assisted customers in selecting products, and assorted restocking and maintenance duties.

Hellas Restaurant *Dishwasher* September 2007 — November 2009
Wash and clean, fetch supplies, prepare food, cook, and anything else that needs doing.

CFB Stadacona *Assistant Naval Systems Specialist* July — August 2008
Worked as a NETE Contractor as designer and assistant editor of the Maritime Warfare Bulletin, and contributed code and documentation to internal data processing tools.

Missionary *Church of Jesus Christ of Latter-Day Saints* February 2010 — February 2012
Served as a Missionary in North Carolina, doing Community Service and teaching the Gospel.

Hellas Restaurant *Cook* March 2012 — December 2013
Returned to the diner as a full-time position, filling the role of line cook more often than dish pit.

Wentzell Flooring *Assistant Flooring Installer* February 2014 — Present
Apprenticed to a hardwood and tile flooring installer on an occasional basis for variety.

Tech Support *Resident Problem Solver* Ongoing
I've always been the one to diagnose, optimize and figure out the secrets of any piece of technology I encounter, and I have been paid by various aquaintences for computer fixing services.

Extras

Quick learner, always intuit a way to accomplish something new	Hiking and Sailing runs in the family	Apple Enthusiast
		Regular listener of Science & Tech Podcasts
Avid reader of Ars Technica	Run a custom modded Minecraft server for the kids at church	Active in the Minecraft mod developers IRC channels
Have run my own web & email server since High School	The old version of my resume was written in LaTex, now I switched to Markdown	Enjoys finding multiple, then the optimal, solution to a problem
